

MASTERCARD AUTOMATED BILLING UPDATER
VISA AUTOMATED UPDATER OPT-OUT NOTICE

MasterCard and Visa require all financial institutions who offer debit cards or credit cards to participate in the MasterCard Automated Billing Updater (ABU) and Visa Automated Updater (VAU). ABU and VAU will provide updates to participating merchants who maintain your card information on file to process your preauthorized payments. Examples of these participating merchants may include subscription services or utility companies.

This service will allow participating merchants to receive your updated card information when you receive a new card for any reason – for example: expired, lost or stolen cards. CSE Federal Credit Union is providing you the ability to opt-out of ABU, VAU or both should you choose not to participate. To opt-out, please fill in the form below. You may deliver this form to any CSE office or return by mail to the address below:

Attention: Card Services

Should you choose to opt-out of either of these services, you will be responsible for providing your new card information to participating merchants. You may incur additional fees from your merchant if you do not provide your updated debit card information in a timely manner.

If you have questions regarding this service, please contact us at 330-452-9801.
