FALL 2025

OPERATION: BUDGET MODE ACTIVATED

(AKA, WIN THE GAME WITHOUT DRAINING YOUR WALLET)

MEGATOWN: THE GAME LEVEL 5: BONUS SHOP

Here's the challenge: You've battled through the first four levels and unlocked the Bonus Shop! It has speed boosts, epic gear, and flashy effects. Everything looks tempting, and each item costs just a few dollars. Here's the twist: you only have \$12, and not everything in the shop actually helps you win.

Choose wisely: Can you gear up for success without breaking your budget?

Pick Your Gear: You have \$12 to spend. Circle up to 3 items.

"IT'S EASY TO GET CARRIED AWAY, SO SET A SPENDING LIMIT BEFORE YOU PLAY. AND, ALWAYS CHECK WITH YOUR GROWN-UP BEFORE HITTING 'BUY'!"

FROM GAMER TO GAME MAKER

Do you love playing video games? Have you ever wondered how they're made? Learning to code lets you build and share your games with friends.

Coding teaches you important skills like planning, problem-solving, and sticking to a goal — the same skills that help you be smart with your money. Plus, it can be a fun way to turn your love of games into a future career!

Want to try it? Check out these cool free resources for young game creators:

- **Scratch.mit.edu:** Make your own games with easy drag-and-drop code.
- **Code.org:** Fun courses that teach coding step-by-step with games.
- **Tynker.com:** Coding for kids with game design projects.
